The charity COSMIC was there for a Club member's family when last month their son suffered a tragic fatal accident on London Road, Boxmoor.

These are Claire's words relating to donations at funeral, which we're sharing to explain why this charity (and other organisations helping the family) are worthy of your time and donation - and BTW coming to the Thursday 30th fun quiz will help the charity.

Claire: "Please feel free to share this post to help others"
Family flowers only for funeral ... as these beautiful people below will be helping another poor family soon - and they need your support and cash!

COSMIC paid for all Christopher's grandparents and Alex to get a taxi to Paddington to say goodbye.

COSMIC also arranged a memory box and paid for us all to get home by taxi .... there were train strikes this day too. They also set up a bed for Lee and I, gave me a hair band and female products and fed the whole family.

The 4Louis charity provides the memory boxes....miscarriage, stillbirth, teenagers, Muslim and Jewish … all different boxes.

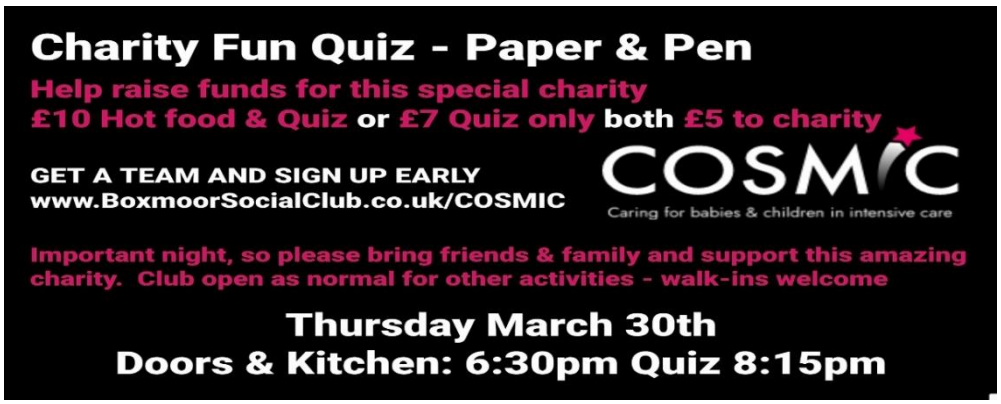
The Road Victims Trust (RVT) charity is providing free counselling for Lee and Claire.

The air ambulance team attended to Christopher at the scene in Boxmoor.


Please give blood.....Christopher was given nearly 30 units of blood and plasma so we could spend time with him and say our goodbyes before we switched off life support. No one rushed us...such dignity and compassion.
